From **Fabric 1**, cut:

-(**14**) 6" x WOF strips, then sub-cut into (**82**) 6" squares

-(**4**) 5 ½" squares

From **Fabric 2**, cut:

-(**2**) 6" x WOF strips, then sub-cut into (**10**) 6" squares

From **Fabric 3**, cut:

-(**6**) 6" x WOF strips, then sub-cut into (**31**) 6" squares

From **Fabric 4**, cut:

-(**2**) 6" x WOF strips, then sub-cut into (**10**) 6" squares

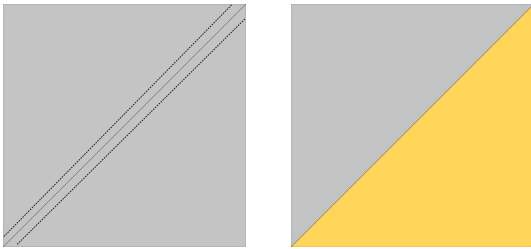

From Fabric 5, cut:

-(**6**) 6" x WOF strips, then sub-cut into (**31**) 6" squares

Assembly Instructions

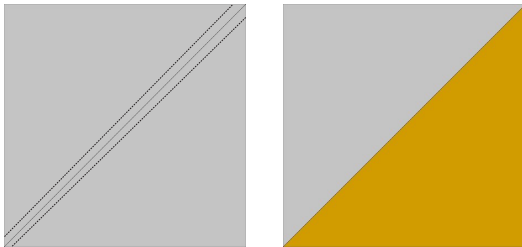

-On the wrong side of **(all) Fabric 1** 6" squares, draw a diagonal line from corner to corner.

-Place a marked **Fabric 1** 6" square right sides together with a **Fabric 2** 6" square. Stitch $\frac{1}{4}$ " on both sides of the drawn line, then cut apart along the drawn line and press towards **Fabric 1** to make **(2) Fabric 1/Fabric 2** HSTs. Square to 5 $\frac{1}{2}$ ".

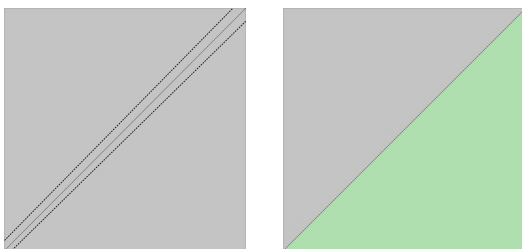

-Repeat to make **(20) Fabric 1/Fabric 2** HSTs.

-Place a marked **Fabric 1** 6" square right sides together with a **Fabric 3** 6" square. Stitch $\frac{1}{4}$ " on both sides of the drawn line, then cut apart along the drawn line and press towards **Fabric 1** to make **(2) Fabric 1/Fabric 3** HSTs. Square to 5 $\frac{1}{2}$ ".

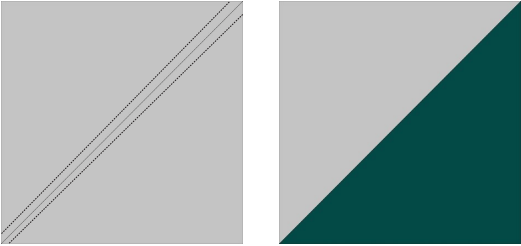

-Repeat to make **(62) Fabric 1/Fabric 3** HSTs.

-Place a marked **Fabric 1** 6" square right sides together with a **Fabric 4** 6" square. Stitch $\frac{1}{4}$ " on both sides of the drawn line, then cut apart along the drawn line and press towards **Fabric 1** to make **(2) Fabric 1/Fabric 4** HSTs. Square to 5 $\frac{1}{2}$ ".

-Repeat to make **(20) Fabric 1/Fabric 4** HSTs.

-Place a marked **Fabric 1** 6" square right sides together with a **Fabric 5** 6" square. Stitch $\frac{1}{4}$ " on both sides of the drawn line, then cut apart along the drawn line and press towards Fabric 1 to make **(2) Fabric 1/Fabric 5** HSTs. Square to 5 $\frac{1}{2}$ ".

-Repeat to make **(62) Fabric 1/Fabric 5** HSTs.

-Refer to the **Assembly Diagram** and lay out **(all)** HSTs and the **(4) 5 $\frac{1}{2}$ " Fabric 1** squares as shown, rotating as needed.

-Sew together into rows. Press all seams in each row in alternating directions (the first row to the right, the second row to the left, the third row to the right, etc.) so that the seams of each row will nest.

-Sew rows together. Layer with batting and backing fabric and quilt as desired.
